family friendly event

The 2014 Ellen Reavis Race for Autism, presented by the New Mexico Autism Society will be held on April 5th, 2014 at Balloon Fiesta Park. We will all gather as a community to do our part to raise awareness and acceptance, to advocate, to educate and to celebrate the lives of those affected by autism: individuals, families and friends. For over 43 years the New Mexico Autism Society has been helping improve the lives of all affected by autism. Every dollar raised by our organization stays right here in NM and helps us to fulfill our mission.
