**Rentals:** Full suspension bikes, full face helmets and pads can all be rented at the Angel Fire bike shop. We suggest you reserve your needs far in advance.

**Cancellation/Refund Policies:**

We want you to have a great experience and offer a fair refund policy. Clinic logistics and planning takes place weeks and/or months in advance. Our refund policy reflects the fact that the closer it gets to the clinic date, the harder it is to change logistics and fill the spot. We will allow clinic registrations to be transferred up to 24hrs before clinic start time. Please contact us immediately if you need to make any changes to your registration.

**Our policy is as follows:**

30 Days or more before clinic: 90% refund or credit towards another clinic of same price.

15-29 Days till Clinic: 75% refund or credit towards another clinic of same price.

7-14 Days till Clinic: 50% refund or credit towards another clinic of the same price.

6 Days or Less till Clinic: No refund. 25% credit towards another clinic of the same price.

No Show = No refund

**Weather:** Unfortunately we cannot control or predict the weather in advance. The clinic will be held unless the weather is unsafe or creates great harm to the area or trails. If we have to cancel due to weather, we will reschedule the clinic with weather, season and location permitting.

**Other Cancellation circumstances:** If we have to cancel due to some unforeseen circumstance, we will offer a full refund. We reserve the right to ask a participant to leave at any time if they are in any way aggressive (verbally or physically), and/or dangerous to themselves, staff and/or any participant/bystander.

**Injury Emergencies:** Cycling can be an unpredictable sport and injuries can happen at any time. If you are unable to participate due to an injury within 7 days of the clinic, we will offer you a 75% refund or credit towards another clinic of same price. We will offer you a 50% refund or credit towards another clinic of the same price if it's between 1 - 6 days before the clinic start time. No refund within 24hrs of clinic start time but we will offer you 25% credit towards another clinic of the same price. This policy will require documentation from a health care provider.
