Starts occur between 08:31 and 09:30:30. Come to the line as soon as you are ready to ride. Don't mess around and get caught trying to line up for a start after 0930.

From the Big I (I40 & I25) take I-25 North to Exit 242, Bernallilo/US 550. Go right then the first left (about 100 meters) onto the East frontage Road. Please park completely on the shoulder before the start area.

Average of Best 2: Final results based on the rules for Average of Best 2. See the flyer if you have questions on what constitutes your best two rides. Let me know if I made an error in calculation or finish order.

See <https://www.nmsportsonline.com> for more info or <http://www.nmcycling.org> to see the flyer and info and links for racing in New Mexico.

As usual I make 3 to 5 errors calculating the results on-site but with Jerry on site as the 2<sup>nd</sup> set of eyes he caught the two errors I made and we had them

corrected before posting. But I still have reviewed everything about the event at home as the final check.
