The 2010 BERNALILLO TIME TRIAL SERIES

Sat JUL 31, Aug 7, 14 and 21

From the BERNALILLO COUNTY SHERIFFS, officials, and promoter: The road is NOT closed. Do Not Stand in the Road. If you are stopped or riding slowly you are to be on the SHOULDER. The normal (and safe) rules of the road are still in force and apply to this event.

Starts supposedly occur between 08:31 and 09:30:30. Come to the line as soon as you are ready to ride. Don't mess around and get denied a start.

From Jennifer Buntz: Cycling clothes for riders in Trinidad are again being requested, especially small sizes for Juniors. They can be dropped off at the last two BTT Series, 14 and 21 Aug, or 1309 Arizona St NE before August 18th. [Duke City Wheelmen Foundation](#) (not the race team) has its 501(c)(3) status, so donations are tax deductible, and you can get a donation receipt for tax purposes. Just email and tell me what you donated. Thanks, Jennifer [Jennifer Buntz at bikesafefun@gmail.com]

7 Aug 2010: 103 starts, 102 finishes, 80 individual racers, light winds. Thanks to our volunteers: Carmel Vigil (set up/down), Lissa Heinman (registration), Eric Hardtad (registration), Dot Philip (turnaround), Mark Thompson (turnaround), Peter Appenzeller (starter), Tom Niemczyk (start staging), John Fleck (timer), and Ken Gant (finish order).
